Palama Team Captures Flag In Senior League

Champions Win Tenth Straight Game Last Evening—Leaders Defeat Kalihi By Score of 14 to 7—Largest Crowd of Year in Attendance—Kauluwela Wins From Kakaako Last Evening in Junior League—Now Tied With Palama for First Place

Senior League.	W.	L.
Palama	10	0
Kalihi	6	4
Kauluwela	6	4
Star-Bulletin	6	4
Kaimuki	1	9
Beretania	1	9

Last night closed the Senior League race and Palama by defeating Kalihi 14 to 7 finished the season without a single defeat. At the end of the sixth inning the score stood 8 to 7 in favor of Palama with Kalihi coming fast, but from the sixth on Parker took a decided brace as did the fielders behind him with the result that in the last three frames the Kalihi boys got but one lone hit.

The two features of the game were a great catch by Marino in the second inning in which he dived head first after a line drive from Ping's bat and held it, turning several somersaults before regaining his feet; and the other was a fast double play made by Spencer, Beck and Wright, retiring Barboza at first and Rosehill at third. Palama won last night's game on the same basis that they have won every other game played this season, because they outclassed Kalihi in every department of the game, as the box score indicates.

Neither team scored in the first, but Palama broke the ice in the second when a base on balls to Amol and hits by Yen Chin and Lum Dung sent two runs over. They got another in the fourth when Tai Loy after getting a good clean hit scored from third on a passed ball. In the last of the fourth, Spencer, the first man up, made a two-base hit; Beck struck out and Kauka was passed. White struck out, but was safe at first when Ping missed the third strike. Barboza drove the first ball pitched to the outfield for another two-bagger, and Spencer and Kauka scored. In the fifth Palama scored two more runs on safe hits by Bent, Ping and Parker, while Roberto scored for Kalihi in the last half of this inning.

In the sixth a base on balls to Lum Dung, hits by Chin, Ping and Parker brought in three more runs. In the last of this inning Parker gave two bases on balls, made two wild pitches, and then Kalihi filled the bases on a fielder's choice to Marino, and this with Sam Kauka's hit netted Kalihi four runs and brought them within one of tying the score. In the seventh inning Roberto hurt his hand to the extent that he seemed from then on to have all kinds of trouble in holding the fast ones, with the result that two more unearned runs came home. In the eighth Ping made his fourth hit of the game which was his second two-base hit, and Parker and Rosehill also followed with two-baggers. Amol cleared the bases, but was out at third when Tai Loy singled. Barboza pitched the last inning for Kalihi and held Palama to one unearned run. Ping Hits Well.

The surest and most consistent hitter in the entire league has been Ping, the Palama catcher, who in last night's game upheld his reputation as a slugger by getting four hits, two of which were two-base drives, out of

five times up. Johnny Parker's work with Ping catching has been in the league, as this battery has allowed fewer hits and worked more smoothly than any other combination.

Kauluwela	8	1
Palama	8	1
Star-Bulletin	5	3
Kalihi	5	3
Kakaako	2	5
Beretania	0	10

Last night's victory for Kauluwela over Kakaako 8 to 7 places Kauluwela tied for first place with Palama, and if Kauluwela wins from Kalihi on Tuesday night they will have a lead of half a game and then it will be up to Palama to win from the fast Star-Bulletin club the following night at the Y. M. C. A. to again tie the Kauluwelas. Should the Palamas fail to stop the Bulletin boys, then the Kauluwelas will be the undisputed champions of 1915 and 1916.

Last night's game showed a great improvement in the general playing of Kakaako, and if this team sticks together, it looks as though a couple of months from now will see them with a first class team as their new pitcher Joseph, if given the proper support, will give a good account of himself. For the first three innings, things were even, and the Kakaakos showed to good advantage, but as soon as Kakaako's catcher missed the third strike of Manabu, and Kelani, both of whom were safe at first, the entire team began to wobble with the final

REED CAPTURES LEAD IN ALLEY RACE THIS WEEK

George Reed of the Service took the lead in the Y. M. C. A. bowling league with an average of 178.51 when he rolled 587 against the Honolulu this week. Frank Benson, who has led for nearly two months, dropped to 176.55 on account of a low score Thursday.

Official Scorer Bill Raseman still holds third place with 174.82, and Henry White is crowding him hard. Walter Haney, the Honolulu southpaw, climbed to fifth place this week when he passed the 174 average mark. J. C. Chamberlin and Andrew Mosley are the other two within the charmed 170 circle which is becoming more exclusive each week.

Andrews dropped several points this week while Winne Gomes and Canario advanced in the standings. Mills, Soares and Clark held their own nicely during the week. Complete averages to date:

Names	Club Games	Ave.
Reed	S	178.51
Benson	C	176.55
Raseman	CC	174.82
White	C	174.82

result that the Kauluwelas from then on took the lead and increased it by winning.

Hendrixson at short played a good game for Kakaako, fielding his position in great shape as did de Malo, who started at first and in the fourth went behind the bat, relieving Olivera. De Malo and Ah Chong did the best stick work for Kakaako, while Roberto, Kelani and Manabu divided honors for Kauluwela.

Kelani pitched a good game, striking out twenty men and to all purposes took things easy, but the general playing of the Kauluwelas was not up to their usual form.

SAINTS TACKLE 25TH INFANTRY AT SCHOFIELD

[Special Star-Bulletin Correspondence] SCHOFIELD BARRACKS, Jan. 22.—Tomorrow afternoon Mr. Arcia will take out to Schofield the reorganized St. Louis team to cross bats with the 25th Infantry. The game is scheduled to begin at 2:15.

A number of the players from the recruit companies will be used on the team. Six were tried out last Sunday against the Honolulu A. C. Three of them, however, did not go in until the final inning and had no chance to demonstrate their abilities either in the field or at the bat.

Moore played a star game at third, handled three chances without an error and laced out a home run. Jackson and Tuttle, two other recruits, put up some classy work on the mound. A new man, Webb, will be given a try-out tomorrow. Jordan, the re-enlisted catcher from the 24th Infantry, will probably not be able to play. It is rumored that he has temporarily taken up his abode in the mill.

Bill Craib, former Boston bowler, now located in Haverhill, has teamed up with Chester Martel of Lowell to roll against Harry Cole of Lynn and John Christopher of Revere. The match will be for a purse of \$100.

Tennis Leaders Were Football Rivals in 1894

In the mind of the average follower of sport there is a wide gulf between football and tennis, yet a number of husky collegians spend their spring and summer in wielding a racquet and find themselves fit in the autumn for varsity gridiron work. This is no new angle to the court game, for 29 years ago the college athlete was mixing football and tennis, but not to the extent that prevails today.

Robert D. Wrenn, the retiring president of the National Lawn Tennis Association, and George T. Adey, who is slated to succeed him, were rival quarterbacks in the famous Yale-Harvard game at Springfield in 1894. Wrenn gave the signals for Harvard while Adey acted as field general for Yale and made the All-America eleven of that year.

Veteran football enthusiasts will never forget that game. Yale won 12 to 4, but only after a battle which was more like modern warfare than football. Players were carried off the gridiron in relays, and the sidelines resembled a field hospital. As a result of the conflict the two universities decided that they had enough football to last for several years and Harvard and Yale did not meet on the gridiron again until 1897.

COMPANY F WINS FROM CELLARITES BY 1 TOUCHDOWN

25TH INFANTRY FOOTBALL SERIES

Standing of Teams	W.	L.	Pct.
Company E	4	0	1.000
Company F	3	1	.750
Company A	1	1	.500
Company I	1	1	.500
Company H	1	2	.333
Company L	1	2	.333
Company K	0	4	.000

[Special Star-Bulletin Correspondence] SCHOFIELD BARRACKS, Jan. 21.—Company F had a most difficult time defeating Sgt. Noble's tail-enders yesterday afternoon, and except for a touchdown made in the first quarter, were unable to score against Noble's warriors.

This one touchdown came as the result of several successful forward passes and end runs. A final pass from Weatherly to Ware carried the pigskin the last 20 yards to the goal line. Thomas failed to kick goal.

The sympathy of the rooters was for the most part with K Company and thus encouraged they put up an excellent game against their more experienced rivals. Several times they threatened F Company's goal but lacked the necessary offense to carry the ball over the line.

It was a surprise to all that F Company did not roll up a big score. The K Company team has developed wonderfully since their first game, and according to Sgt. Noble will win a game or two before the series is over.

L COMPANY SCORES SHUT-OUT IN B GAME

[Special Star-Bulletin Correspondence] SCHOFIELD BARRACKS, H. T., Jan. 21.—With the weather ideal for baseball and the diamond in the best condition that it has been for two weeks, Companies L and B turned out for a game in the regimental series today that would do credit to big league baseball.

The error column was small, none of the misplays figuring in the score, and the heart disease plays were many. L Company won by a score of 2 to 0 and they won on superior baseball, but the closeness of the score indicates that they were far from having everything their own way. L Company out-hit B Company 5 to 3 and thereby hangs the tale. B Company had men on bases several times when a hit for extra bases would have meant runs but the hit was not forthcoming and they were pushed one notch further down in the league standing. It was a fine game from every standpoint and the spectators went away from the field well satisfied at having seen an exhibition of first-class baseball.

The Score: R H E
Company L 2 5 2
Company B 0 3 4
Base on balls, off Snyder 1, off

2ND INFANTRY ENTERS EVENTS FOR CARNIVAL

[Special Star-Bulletin Correspondence] PORT SHAFTER, Jan. 22.—Under the able management of Capt. Paul B. Malone, 2d Infantry, president of the athletic council, athletics for the Carnival have taken a definite shape and commencing Monday and each day thereafter the men will practise daily for the Carnival athletic meet to take place at Alexander field, Punahou, on February 23, 24, 25 and 26, and Shafter is certain to have some fine teams and will bring home some prizes.

A circular letter was gotten out yesterday by the post adjutant requiring them to submit today with the morning report a list of the names of men to train for the following events. All men designated for tryouts for places in the various events will be excused from kitchen duty, company fatigue or other duties which would interfere with their attendance. If selected they also will be excused from guard duty.

Commencing on Monday all those designated by organization commanders will report daily under charge of a noncommissioned officer to Capt. Malone on the parade ground in front of the post exchange at 3 p. m. Saturday and Sunday excepted, until further orders and all of the officers of the athletic council will report at the same time and place to the president of the athletic council, who will be in charge of the training.

The events mentioned are:

- 100-yard dash—Not less than three names.
- Tug of war—All believed to have a chance for the team.
- 220-yard dash—Not less than three names.
- One-mile relay—Not less than three names.
- One-half mile race—Not less than three names.
- Throwing baseball—Not less than three names.
- Shoe race—Not less than three names.
- Sack race—Not less than three names.
- Three-legged race—Not less than three names.
- Wall-scaling—Not less than three names.
- Centipede race—Not less than three names.
- Wrestling—Names of those who have some knowledge of the sport.
- Swimming—Not less than two names.
- A single individual may enter for more than one event.

As far as we have been able to learn there is no great weeping over the calling off of the battle between Jess Willard and Fred Fulton.

Bradshaw, 3; struck out, by Snyder 7, by Bradshaw 1; double plays, Carlin to Wager; two-base hits, Carlin and Munson. Umpires, York and McHenry.

Athletic Activities Mostly Indoors Now

Weather Spoils Chance for Games in Local Parks—Service Game With All-Stars Features Athletics for Next Fortnight—Swimming Meeting Called for This Afternoon—Punahou Will Miss Doctor Peden—Doty Has Offer From Spokane

The principal activities in athletics at the present time have been confined to the Y. M. C. A., as baseball in most quarters is out of the question, and the basketball stars in the interscholastic league have not yet started their work for the season. Golf players have been forced to confine themselves to the lower course at the Country Club, the swampy course making it impossible to play over the upper one.

In the automobile line the committee is planning to put the track at Kapiolani park in shape for the big events that are scheduled for one month from now. Whether the track will be placed in condition remains to be seen, and the possibility of the appearance of the stars is yet in the distance. The heavy rains have made the track impossible for speed at the present time, and it will take a heap of work to put it in condition.

Relay Race Favored

The athletic officers of the various regiments have planned a number of events for the track and field meet. The announcement from Shafter of a list of events does not mention a relay race from Schofield to Honolulu, and as Capt. Paul Malone has announced that he was in favor of the race it is expected that the program will be changed to include this event.

William T. Rawlins will hold a meeting at his office this afternoon to discuss the plans for the swimming meet, and it is certain that Norman Ross will not be asked to come and Luke Kahanamoku will in all probability enter the longer distances against Ludy Langer, Lucile Legros, who has made the second fastest time in the islands, will in all probability be the favorite to meet Miss Frances Cowells, the San Francisco swimmer. Service Team Trip.

The trip of the Service team to the coast is creating an unusual amount of interest among the lovers of basketball, and the big benefit game at the Y. M. C. A. on February 2 should draw a banner house. The All-Stars who will oppose the champs have a strong lineup and will be reinforced by two new men of ability.

The baseball situation is quiet at the present time. Tomorrow afternoon the Saints will journey to Schofield to take on the strong 25th Infantry team, but no local games have been scheduled. The players have not had much opportunity to get out for practise. The new Punahou team will have to do a heap of work before the Olympic contests, as the men have not as yet played together.

Spokane Wants Doty.
Ray Doty had an offer from the Spokane team of the Northwest

League to play there this year, but the Portland boy turned the proposition down and decided to stay in Honolulu. Doty said that the breaking up of the Peds will leave a lot of players on the market, and he did not want to take a chance on making the team until next season. Which shows that he has something more than ivory above his neck.

Had Doty resigned from his position and taken a chance to make good with the Spokane team he would have bumped into a number of hard propositions. The Coast League will cut down the list this year, while the other leagues are retrenching, and with hundreds of ball-players on the market Doty naturally would have a hard fight to land a berth. By staying in Honolulu he will have a year's experience that should do him a heap of good.

Dr. Peden Missed

Punahou will miss Dr. Jack Peden, who left on the last trip of the Great Northern for his home in South Carolina. Peden was one of the best liked ball players in Honolulu, and he was always fighting for every inch, both on the diamond and on the gridiron. One thing that impressed the fans was his work in going after ground balls. He always went after them no matter how hard they came or in what direction, and many of his plays were putouts that another player would not have touched.

On the other hand, he made a number of errors on balls that other fielders would not have attempted. Peden not only was a star on the diamond but he brought the strong College of Hawaii team to the front in football. When he first took hold at the college he had nothing but a bunch of raw recruits and a few stars. When he finished the season the squad looked like an all-star lineup.

Peden also developed into a strong player for the National Guard team, and a resume of the games will show that the South Carolina man made a number of gains for the guard aggregation. Punahou will still have four fast infielders with Peden away, and Doty, Sadler, Chillingworth and Lyman make a mighty fast combination. And in the outfield Walter Argabrite, Lang Akana, O'Brien and one or two others make a strong squad.

Because of the problems of working out teams from the St. Louis and Chicago combinations the Cubs and Browns, it has been agreed by both leagues, shall be exempt from the ordinary player-limit regulations. The St. Louis club will have about 50 for the new managers to look over, and it may take some time for the sheep to be picked from the goats.

The Oriental Properties of Sensaparsa
Renew the Nerve Forces of the System

Do not continue to suffer when you can get just the help you need today—now!—in your neurotic condition you have insomnia, nervous indigestion, a feeling of despondency or fear, weak memory, brain fog, palpitation of the heart, hot and cold flashes, exhausted vitality or any other form of mental or nervous exhaustion.

Sensaparsa
(Formerly called Persian Nerve Essence.)

will rejuvenate you and you will become a new man with all the stamina and vigor you formerly had. Every nerve, every tissue will receive its due share of life's sustaining energy, and health, force and vigor follow with all the certainty of cause and effect.

One box of Sensaparsa is often sufficient but in obstinate cases, the full treatment of six boxes is guaranteed to give absolute satisfaction or money will be refunded. Sold by Chambers Drug Co., Hollister Drug Co., Honolulu Drug Co., and your Druggist, or sent postpaid for \$1.00 per box or six boxes for \$5.00. Try Sensaparsa today.
